**Short Curriculum Vitae**

---

George Papadoudis is Economist and Researcher in the field of Social Statistics at the Institute of Social Research of the National Centre for Social Research (since 2018) and holds a PhD from Panteion University of Social and Political Sciences on social inequalities and the political economy of ageing (since 2009).

As a researcher at EKKE he participates in national and international research programs through scientific working groups: WVS, EU-GBVS, VIC, CLIMPACT, CulMed, ReCulM, Web-Panels, OCD. He served as the country survey operator in Greece for the Survey of Health, Ageing and Retirement in Europe (SHARE) – European Research Infrastructure Consortium (ERIC) (2003-2018). He participated as a post-doctoral researcher in “Thales” & “Academic and Scientific Excellence” research projects, coordinated by Panteion University of Social and Political Sciences (2013-2015). He contributed as a research associate in the National Centre for Social Research (2009-2010). He worked as a scientific associate for the Institute of Strategic and Development Studies (2005-2008). He participated as a research assistant in the working groups for the National Action Plan for Employment (2003) and the National Action Plan for Social Inclusion (2003-2005). He served as a special associate at the Department of Strategic Planning of the Prime Minister’s Political Office (2001-2002). He contributed as a member of working groups for the National Statistical Service of Greece (2001-2002).

He teaches as a Professor-Advisor at the Hellenic Open University, School of Social Sciences, Business Administration (since 2016). He has taught as a Lecturer-Trainer at the National Centre for Public Administration and Local Government (2013); as an Adjunct Lecturer at the University of Central Greece, Department of Regional Economic Development (2011-2012); as a Visiting Assistant Professor at two Technological Educational Institutes, Faculties of Management and Economics (Athens & Central Greece, 2010-2014). Indicative courses: Economic Analysis and Policy, Public Finance, Microeconomics, Macroeconomic Analysis, National Economy and European Regional Policy, International Economic Relations, Research Methodology.

He has published articles in referred collective scientific volumes & international journals, indicative titles: Springer Publications, De Gruyter Academic Publishing, Gutenberg Printing & Publishing Company, ION Publishing Group, Kritiki Publishing, Advances in Life Course Research, Science and Society, Emotions and Society, Regional Science Inquiry Journal, Journal of Investment and Management, Transactions International Journal. He has been a manuscript peer reviewer for Elsevier Editorial System, De Gruyter Online, InterScience Publishers. He has attended more than 50 international scientific conferences and European research workshops, since 2001 in 18 countries (in alphabetical order) Austria, Belgium, Bulgaria, Croatia, Czech Republic, France, Germany, Greece, Israel, Italy, Lithuania, Malta, Poland, Slovenia, Spain, Sweden, the Netherlands, United Kingdom. His recent work has been focused on the fields of social statistics, values in contemporary societies, economic analysis and policy, socioeconomic inequalities, research methodology, social policy, and the economics of ageing.

## Other Scientific Activities

- Ph.D. thesis (09/2009) entitled “Towards a Political Economy of Ageing” at Panteion University of Social and Political Sciences. Seven-member evaluation committee: professors of the Department of Economic and Regional Development Lyberaki A., Richardson C. & Lambrinidis M. as well as professors Yfantopoulos J. (National and Kapodistrian University of Athens), Tsakloglou P. (Athens University of Economics and Business), Tinios P. (University of Piraeus), Zografakis S. (Agricultural University of Athens).
- Statistical study (10/2002-01/2003) for the Hellenic Ministry of National Defence, in cooperation with the information department of the Ministry, on “Income support for conscripts belonging to vulnerable social groups”.
- Senior thesis (09/2001-05/2002) titled “New Economy: Social Policy and New Inequalities” in the Master's degree of the Department of Economic and Regional Development of Panteion University.
- Participation as a teaching assistant (10/1997-01/1998) in the Programme “Training in computer use and office automation” of the Centre of Education and Vocational Training of Panteion University.
- Participation in qualitative field research (03/1995-12/1997) with the support of the National School of Public Health, the Panteion University, and the Foundation for Human Rights.

## **Conferences and Workshops Attendance**

- Conferences & Workshops attended as a researcher or scientific partner (2001-2022): more than 50 participations in 18 countries (in alphabetical order) Austria, Belgium, Bulgaria, Croatia, Czech Republic, France, Germany, Greece, Israel, Italy, Lithuania, Malta, Poland, Slovenia, Spain, Sweden, the Netherlands, United Kingdom.

## **Educative Seminars**

- Educative Seminar (2016) and certification through Massive Open Online Courses on the topic of “Open and Distance Learning”, organized by the Internal Evaluation and Education Unit (MEAE) of the Hellenic Open University (HOU).
- Hands-on Seminar (2001) on the use of SAS statistical analysis applications at the National Institute for Employment in documentation areas such as pensions and the labour market.
- Management Seminar (2001) of GAD Projection Software for the monitoring of insurance systems by an Actuaries Group and the Center of Planning and Economic Research.
- Implementation Seminar (2000) for MS Project Management during the Postgraduate Programme in the Department of Economic & Regional Development of Panteion University of Social and Political Sciences.

## Qualifications

- Data management and analysis through statistical & econometrical software packages (STATA, SPSS, E-Views, SAS).
- Microdata database applications (SHARE - Survey of Health, Ageing and Retirement in Europe, EU-SILC - Survey on Income and Living Conditions, LFS - Labour Force Survey, ESS - European Social Survey, US-HRS - Health and Retirement Study, UK-ELSA - English Longitudinal Study of Ageing, WVS - World Values Survey, EVS - European Values Study).
- Database applications (Eurostat, ELSTAT, ESSPROS, OECD, WHO, United Nations, World Bank).
- Database processing (MS Access, Map Info GIS).
- Project management (MS Project, MS Visio, Smart Draw).

## Memberships in Scientific – Research Associations & Networks

- Statistical head for EKKE as provided for in Principles of the European Statistics Code of Practice and the Regulations of the Hellenic Statistical System.
- Member of a Working Group on the design of statistical standards for the specialization of public policy evaluation indicators in the Hellenic Ministry of Migration and Asylum. The working group is a scientific and advisory board of the Ministry of Migration and Asylum.
- Member of the “Subgroup on Equality Data” in the framework of the “High-Level Group on Non-Discrimination, Equality and Diversity”, European Commission & European Union Agency for Fundamental Rights, 2018-2021.
- Alternate Member for the National Centre for Social Research (EKKE) of the General Assembly of the Hellenic Foundation for Research and Innovation (H.F.R.I.), Ministry of Education, Research and Religious Affairs - General Secretariat for Research and Innovation, 2018-2022.
- Member of the “European Social Network”, Reference Group on the European Semester (the European Commission’s cycle of policy coordination with the Member States) for each yearly cycle, 2019-2020.
- Member of the Economic Chamber of Greece (ECG).
- Regular member of the Hellenic Sociological Society (HSS).
- ORCID record: 0000-0002-0401-3357
- URL CV: <https://www.ekke.gr/centre/personnel/papadoudis-georgios>
